

Deutz Engine Problems I have a small piece of plant that has a 2 cylinder oil cooled deutz engine in it. The problem is when it starts up it smokes quite bad but it does clear a bit when it heats up then on idle for a bit and back on to operating speed there is a plume of black smoke. Deutz oil cooled engine problems - Farming Forum Hello to all!!! First of all hello from Greece! I am glad that I found this forum because as a newcomer in the farming business I have some issues with my tractor... I have a Deutz Agroplus 70 1998 with the F3L914 engine. The tractor has 3000 hours and the last 2 years it is in my possession, since I bought it used, its temperature instrument is ... Deutz Overheating problems - tractorbynet.com As part of each course, the DEUTZ instructor staff builds problems into the running engines and the participants are coached to quickly diagnose the symptoms based on classical fault diagnosis techniques.
